<h2>My Dream</h2>
<body>
<!--First picture-->

<p>I woke up this morning dreaming about a new car which looked like this </p>

<p>Google Images</p>

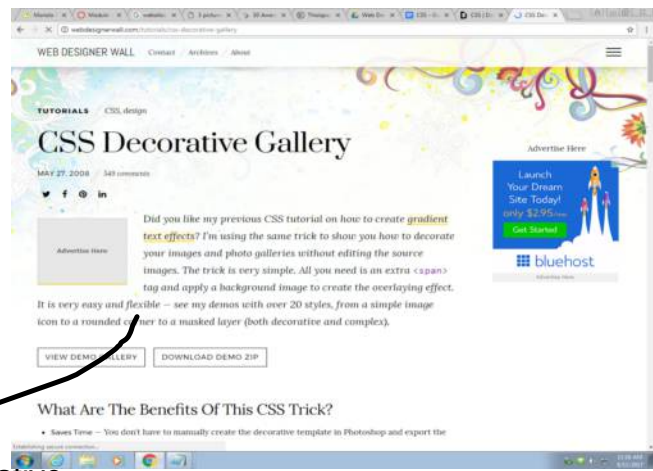

<p>I then looked outside and realized my car looked like this </p>

<p>Google Images</p>

<p>I then realized that it was best if I just stuck with dirtbikes </p>

<p>Google Images</p>

</body>
</html>
```

The image in the background is decorative.
The CSS Decorative Gallery has the least out of three
